ORDER:

It has been represented to Government that certain telephone operators in the Madras Fire Services who do not possess the minimum general educational qualification prescribed in the Schedule to the General Rules for Provincial and Subordinate Services were not allowed by the Commission to sit for the general educational test of the S.S.L.C. Standard conducted by it in order to qualify themselves for promotion to higher posts or for transfer to other services under the concession allowed in G.O.No.2929, Public (Services) dated 5-10-44 and incorporated as General Rule 10(a)(ii) on the ground that they are not members of any of the subordinate services. The Director of Fire Services has recommended that the above concession may be extended to all the unqualified clerks and the telephone operators in the Madras Fire Services. The Government do not accept the recommendation. They however permit the seven unqualified persons holding ministerial posts whose names are given in the Annexure to this order and also Telephone Operators in the Madras Fire Services who did not take part in the N.G.Os' Strike in December 1947 to appear for the next general educational test to be conducted by the Madras Public Service Commission in October this year in order to enable them to qualify for continuance in the Madras Fire Services. They also permit such of them to be retained in service till February 1949 when the results of the concessions next examination will be announced. The orders issued in Government Memo.No.997/46-39, Public (Fire Services) dated 8-12-47 are modified to the above extent.
